

online Banking

Online banking offers many convenient services that formerly required a bank visit or phone call.

Benefits of Online Banking:

- View and balance transaction activity 24/7
- View 17 months of history with eStatements
- Set up email or text alerts
- Enroll in mobile and text banking
- Establish bill payees and schedule payments
- Send the bank secure and confidential messages
- Enroll in People Pay to send money to family and friends
- Set up one-time or recurring transfers

Follow These Easy Steps to get Started:

1. Go to bankofluxemburg.com and click on “**Enroll Now**” to begin using the service.
2. Select the preferred option for receiving the security authentication code (phone call or text).
3. Enter the temporary password the bank provided.
4. Agree to the terms and conditions.
5. Confirm your phone number and email address.
6. Begin using the service by browsing the tabs at the top.
