

# Mobile Banking

Bank wherever you happen to be...whenever it's convenient for you!

## **Benefits of Mobile Banking:**

- View transaction activity 24/7
- Pay bills securely
- Transfer funds between accounts
- View scheduled payments or account history
- Deposit checks remotely

## **Follow These Easy Steps to Get Started:**

1. Must be an active online banking user to access mobile banking
2. Download the free mobile app from Google Play or the App Store. It is compatible with:
  - iPhone or iPad
  - Android Phone or Tablet
3. Log in using your online banking username and password
4. Select your phone number to receive a security code by text message
5. Tap continue and enter the code you received.
6. Tap continue
7. Enter your phone number
8. Tap enroll
9. Tap an account to view transactions.
10. Use the plus sign to navigate to other mobile banking options
